GARY SUMMERS

Rowing is a Tier 3 varsity sport in Loudoun County. As such, the Stone Bridge Rowing Team does not receive any funding from Loudoun County or the scholastic sports association. In order for the athletes to participate in rowing they are required to raise all funding through corporate sponsorships, donations and other fundraising opportunities.

The Stone Bridge Rowing Team has established a winning tradition and would like to continue their achievements with the assistance of personal and corporate sponsorships.

\$500

ADDING A BOAT TO OUR FLEET

Your \$500 gift helps SBRC afford a new (or new to us) shell to keep us competitive! New 8+ boats cost around \$45,000, so we take pride in our fleet to ensure our boats last for years to come.

\$300

DOWNSTREAM WITHOUT A PADDLE

A \$300 gift helps purchase one new sweep oar (we use 8 in each boat). With a growing team - that means LOTS of oars.

\$250

HELP OUR COACHES KEEP UP

The coaches ride alongside the athletes for training and safety on the water. Help us keep up with a gift of engine maintenance. A \$250 gift supports repairs of existing launch motors and helps us save for the purchase of new motors.

\$200

SUPPORT AN ATHLETE WITH A STONE BRIDGE ROWING SCHOLARSHIP

Donations allow SBRC to expand the scholarship offerings to those in need, so all athletes have an opportunity to succeed.

\$150

ONE SEAT, TWO PAIRS OF SHOES

Each boat contains sliding seats and pairs of shoes bolted to a foot plate per rower. A gift of \$150 allows the team to buy either one new seat or two new pairs of shoes.

\$100

COXSWAIN SUPPORT

A Coxswain's commands help the rowers push past the pain barrier and keep pulling those oars when every muscle fiber tells them to stop. They keep the boat going straight and the oars swinging in sync.

\$50

SITE MAINTENANCE AT THE GONK

A \$50 gift pays lawn and trail care around our site at Algonkian Park.

\$25

KEEP OUR GAS CANS FILLED

We even have to pay for gas for our launch boats! \$25 covers launch expenses for a week of practices.
